Talal Bin Akbor

IT & Network Support

Computer Science & Engineering Graduate

LinkedIn / tbapranto GitHub / TBAPranto

Dhaka, Bangladesh | Public portfolio edition

PROFESSIONAL SUMMARY

CSE graduate with a Diploma in Computer Technology and academic grounding in networks, operating systems and cyber security. At Aramex Dhaka Ltd., assisted IT staff with end-user support, Windows-based device preparation, physical connectivity and documentation. Web projects and a three-semester capstone complement this practical background for entry-level IT, network and technical support roles.

PROFESSIONAL EXPERIENCE

Digital & Technology Intern

Aramex Dhaka Ltd. | Dhaka, Bangladesh | Jun 2026 - Sep 2026

- Assisted with office IT relocation: supervised rack and server handling, equipment placement and physical reconnection; removed assigned IP cameras and attendance hardware.
- Connected Cat6 workstation links and matched outlet labels to recorded ports; assisted with physical patching and placement of routers and HPE Aruba access points.
- Guided customers through profile registration, email verification and business account linking; documented interactions and made a reusable screen recording.
- Operated the Canon multifunction printer and followed basic device, print-queue and connection checks; entered approved Fastface 5 users under supervision.
- Assisted with a Windows 11 and Office 365 laptop preparation assignment, documenting licensing, verification and handover considerations.
- Reviewed asset and network connection records, identifying incomplete port mappings for physical verification or follow-up.

Program Intern

Jamuna Television | Investigation 360 Degree | Feb 2020 - Mar 2021

- Worked with the program under its editor, developing communication, coordination and structured reporting in a deadline-driven media environment.

TECHNICAL SKILLS

NETWORKING & INFRASTRUCTURE

Computer Networks / Data Communication coursework; LAN concepts; Cat6 desk patching; patch panels and port labels; switches, routers and wireless AP fundamentals; Cisco Packet Tracer.

TECHNICAL SUPPORT

Windows setup; PC assembly; basic hardware/software fault isolation; printer and peripheral support; end-user assistance; equipment records and documentation.

TOOLS & DEVELOPMENT

Microsoft Excel, Word and PowerPoint; Microsoft 365; GitHub; PHP; MySQL/SQL; HTML; CSS; JavaScript.

EDUCATION

B.Sc. in Computer Science and Engineering | 2026

University of Liberal Arts Bangladesh (ULAB) | CGPA 3.18/4.00

Relevant coursework: Computer Networks, Computer Networks Lab, Cyber Security, Data Communication, Network Security and Operating Systems.

Diploma in Computer Technology | 2021

Daffodil Polytechnic Institute | CGPA 3.56/4.00

SSC (Science) | 2016

Badsha Faisal Institute | GPA 3.33/5.00

TECHNICAL PROJECTS

Automated Data Flow Diagram Understanding

ULAB | Three-semester capstone | 2025 - 2026

Tools: EasyOCR, fine-tuned Qwen2.5-3B, YOLO11, structured JSON and Gradio.

- Contributed to planning, testing and documentation for a team pipeline combining OCR, language-model and object-detection components into structured diagram output.
- Selected saved team evaluation: 96.9% node-stage micro F1, 90.7% arrow-region F1, 72.0% link F1 and 70.2% complete DFD F1 on ten project-made diagrams. These are stage-specific prototype results, not general real-world accuracy.

SkillSwap | Collaborative academic project

PHP / MySQL / HTML / CSS | github.com/TBAPranto/SkillSwap

- Tutorial platform with profiles, keyword search, messaging, ratings and comments; collaborative work associated with a fork of MiffysCode/SkillSwap.
- Peer skill matching and session scheduling remain proposal-level features, not verified implementation.

Quiz Web Project | Academic web application

PHP / SQL / HTML / CSS / JavaScript | GitHub source

- Built a database-backed academic quiz application with user accounts, quiz authoring and joining flows, scoring/result records and dashboard pages.

ADDITIONAL INFORMATION

Languages: Bangla (native); English (working proficiency).

Driving licence: BRTA non-professional; light vehicle and motorcycle.
